1 Identification of the substance/mixture and of the supplier

Product identifier
Trade Name: EQUAL FLEXX
Synonyms:
Product number: EQUAL Flexx

Application of the substance / the mixture: Tire Balancing

Details of the supplier of the Safety Data Sheet

Manufacturer
IMI
3183 Black Gap Road,
Chambersburg, PA 17202
800-233-7086
info@imiproducts.com

Emergency telephone number: IMI
800-233-7086

2 Hazards identification

Classification of the substance or mixture:
In compliance with EC regulation No. 1272/2008, 29CFR1910/1200 and GHS Rev. 3 and amendments. The substance is not classified as hazardous according to the Globally Harmonized System (GHS).

Hazard-determining components of labeling: None.

Label elements:
None.

Hazard pictograms: None

Signal word: None

Hazard statements: None

Precautionary statements:
If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use.

Additional information: None.

Hazard description

Hazards Not Otherwise Classified (HNOC): None

Information concerning particular hazards for humans and environment:
The product has to be labelled due to the calculation procedure of the "General Classification guideline for preparations of the EU" in the latest valid version.

Classification system:
The classification is according to EC regulation No. 1272/2008, 29CFR1910/1200 and GHS Rev. 3 and amendments, and extended by company and literature data. The classification is in accordance with the latest editions of international substances lists, and is supplemented by information from technical literature and by information provided by the company.
Safety Data Sheet

according to 1907/2006/EC (REACH), 1272/2008/EC (CLP), 29CFR1910/1200 and GHS Rev. 3

Effective date: 04.04.2016

Trade Name: EQUAL Flexx

3 Composition/information on ingredients

Chemical characterization: None

Description: None

Hazardous components (percentages by weight)

Additional Information: None.

4 First aid measures

Description of first aid measures

General information: None.

After inhalation: Maintain an unobstructed airway. Loosen clothing as necessary and position individual in a comfortable position.

After skin contact: Rinse affected area with soap and water.

After eye contact: Rinse/flush exposed eye(s) gently using water for 15-20 minutes. If symptoms develop or persist, seek medical attention.

After swallowing: Seek medical attention if irritation, discomfort, or vomiting persists. Rinse mouth thoroughly.

Most important symptoms and effects, both acute and delayed

None

Indication of any immediate medical attention and special treatment needed:

No additional information.

5 Firefighting measures

Extinguishing media

Suitable extinguishing agents:

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

For safety reasons unsuitable extinguishing agents: None

Special hazards arising from the substance or mixture:

Thermal decomposition can lead to release of irritating gases and vapors.

Advice for firefighters

Protective equipment:

Self-contained breathing apparatus and full protective clothing must be worn in case of fire. Refer to Section 8.

Additional information:

Avoid contact with eyes. Avoid inhaling gases, fumes, dust, mist and vapor.
Personal precautions, protective equipment and emergency procedures:

Ensure air-handling systems are operational. Ensure adequate ventilation.

Environmental precautions: None

Methods and material for containment and cleaning up:

Always obey local regulations. Sweep or scoop up solid material while minimizing dust generation. Wear protective eyewear.

Reference to other sections: None

Precautions for safe handling:

Do not eat, drink, smoke or use personal products when handling chemical substances. Do not taste or swallow.

Conditions for safe storage, including any incompatibilities:

Keep container tightly sealed. Store in a cool, well-ventilated area.

Specific end use(s):

No additional information.

Control parameters: No applicable occupational exposure limits.

Exposure controls

Appropriate engineering controls:

Emergency eye wash fountains and safety showers should be available in the immediate vicinity of use or handling.

Respiratory protection: None

Protection of skin: None

Eye protection:

Safety glasses or goggles are appropriate eye protection.

General hygienic measures:

Avoid contact with eyes. Wash hands before breaks and at the end of work.

### 10 Stability and reactivity

**Reactivity**: None

**Chemical stability**: None

**Possibility hazardous reactions**: None

**Conditions to avoid**: None

**Incompatible materials**: None

**Hazardous decomposition products**: None

### 11 Toxicological information

**Information on toxicological effects**:

**Acute Toxicity**: No additional information. No additional information.

**Chronic Toxicity**: No additional information.

**Skin corrosion/irritation**: No additional information.

**Serious eye damage/irritation**: No additional information.
Safety Data Sheet

according to 1907/2006/EC (REACH), 1272/2008/EC (CLP), 29CFR1910/1200 and GHS Rev. 3

Effective date: 04.04.2016

Trade Name: EQUAL Flexx

Respiratory or skin sensitization: No additional information.

Carcinogenicity: No additional information.

IARC (International Agency for Research on Cancer): None of the ingredients are listed.

NTP (National Toxicology Program): None of the ingredients are listed.

Germ cell mutagenicity: No additional information.

Reproductive toxicity: No additional information.

STOT-single and repeated exposure: No additional information.

Additional toxicological information: No additional information.

12 Ecological information

Toxicity: No additional information.

Persistence and degradability: No additional information.

Bioaccumulative potential: No additional information.

Mobility in soil: No additional information.

General notes: No additional information.

Results of PBT and vPvB assessment:

PBT: No additional information.

vPvB: No additional information.

Other adverse effects: No additional information.

13 Disposal considerations

Waste treatment methods (consult local, regional and national authorities for proper disposal)

Relevant Information:

It is the responsibility of the waste generator to properly characterize all waste materials according to applicable regulatory entities. (US 40CFR262.11).

14 Transport information

UN Number:
ADR, ADN, DOT, IMDG, IATA

None

UN Proper shipping name:
ADR, ADN, DOT, IMDG, IATA

None

Summary of Phrases

Hazard statements: None

Precautionary statements:
- P101 If medical advice is needed, have product container or label at hand.
- P301+P330+P312 IF SWALLOWED: Rinse mouth. Call a POISON CENTER or doctor/physician if you feel unwell.
- P302+P352 If on skin: Wash with soap and water.
- P304+P312 If inhaled: Call a poison center or doctor/physician if you feel unwell.
- P402+404 Store in a dry place. Store in a closed container.
- P501 Dispose of contents and container as instructed in Section 13.

Manufacturer Statement:

It is the responsibility of the user to comply with all applicable laws and regulations applicable to this material. However, since the conditions of handling and use are beyond our control, we make no guarantee of results, and assume no liability for damages incurred by the use of this material. The information contained herein is, to the best of our knowledge and belief, accurate. This product has been classified in accordance with hazard criteria of the Controlled Products Regulations and the SDS contains all the information required by the Controlled Products Regulations. The user should consider the health hazards and safety information contained herein as a guide and should take those precautions required in an individual operation to instruct employees and develop work practice procedures for a safe work environment. The responsibility to provide a safe workplace remains with the user.
