

**Save over 40%
on Brake Cleaner**

MYERS/ Zep Bulk Brake Cleaner Program

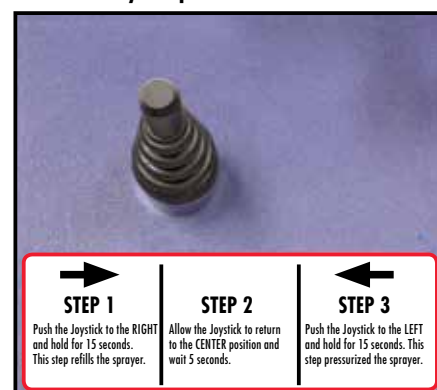

How The Program Benefits Your Business

- **Cost Savings** – Purchasing in bulk saves over 40% in cost when compared to spray cans.
- **Easy-To-Use** – The Zep sprayer system automatically fills and pressurizes the portable sprayer in 3 easy steps.
- **Hassle-Free** – Zep sprayers are specifically designed to be used with brake cleaner fluid. Zep services the equipment for the life of the contract providing hassle-free maintenance.
- **E-Key Technology** – Alerts the technician when the brake cleaner fluid is low allowing enough time to reorder a replacement drum.
- **Eliminate Waste** – Each drum is equivalent to 450 spray cans of brake cleaner. Reduce the environmental liability by eliminating spray can disposal.
- **Increase Inventory Space** – Eliminate the need to stock multiple cases and pallets of brake cleaner.

The **MYERS/Zep** **Bulk Brake Cleaner Program**

How Does The Program Work?

1. Determine if a 3, 4, or 5 year supply agreement is best for your shop
2. Determine the correct brake cleaner according to your states regulations (See chart below)
 - Drums and sprayers are labeled to be OSHA Compliant
3. Myers and Zep will supply the necessary equipment including Re-Filling machines and specially designed 24 oz. sprayers
 - The retail value of the equipment to the customer with 5 sprayers is \$1,800
 - Equipment works exclusively with the Zep Bulk Brake Cleaner System
 - Zep maintains spare parts and will service the equipment for the life of the contract
 - System is grounded for maximum user safety

Work with your Myers representative to determine the right program to fit your needs

Re-fillers	Maximum # of Sprayers	Drums Per Year	Length of Agreement
1	5	2*	3 years
1	5	4	5 years
1	8	6	4 years
1	10	8	3 years

*2 drums per year agreement requires a \$400 down payment to help partially offset the cost of the equipment. This is due with the first drum order. All subsequent orders will be for the brake cleaner only.
